

There is a whole load of implications here ...

Two groups - need to prepare - I need to protect the work, so don't go narrative - so & go ~~narrative~~ ...  
implications

G.1 Two groups.

G.2

▷ implication  
- listening to what happened here, are there lessons to be learned about how to avoid this happening?

G.2 - preparation  
Give some thought to these trees, anyway to avoid cross-pollination?

→ solution: use netting.

What the implications for nets?

- Where do we keep the nets, who puts them up? etc.

- Demonstrate putting the nets up?

- Growing new apples from seeds:  
could you start the process of planting the seeds ...
